

Agreement Combining Water Delivery Accounts To Leased Lands

The District, for administrative purposes only, applies a minimal charge of **\$50.00** each time there is a change, or renewal, in units combined. Agreement length shall not exceed **5 years**.

I, _____ certify that I am the **LEASE HOLDER** and I hereby request that the leased land described below be combined with my own water usage report for the following number of irrigation seasons _____ *(Not to exceed 5 years)*.

IT IS AGREED:

- That the minimum water allotment of 1 acre foot per acre for all land(s) described above and all water delivered to said lands, shall be posted to the combined water usage report as requested.
- That any water delivered over the 1 acre foot per acre allotment shall be posted to my combined water usage report and I accept full responsibility for payment of all water overage charges that may accrue to said combined account.

THIS AGREEMENT MADE AND ENTERED INTO THIS _____ DAY OF _____, 20_____

Signature of Lease Holder _____

Bureau of Reclamation RRA LEASE Requirements: All farm lease agreements must be in writing, be signed, dated, with the term specified of at least 1 year but shall not exceed 10 years.
