

# Subscription for Early Irrigation Season

Application must be filed and paid for at the TVID office **BEFORE**  
**March 1<sup>st</sup>**

The Tualatin Valley Irrigation District (Supplier) and

\_\_\_\_\_ (Consumer) recite:

1. Supplier operates an irrigation water service.
2. Consumer desires and will beneficially use irrigation water service for commercial and/or suburban agricultural purposes on the following acreage(s):

Pipeline Turn-out	River Diversion	March Box \$25/River \$10	April Box \$25/River \$10	Total Amount Due

3. Subject to all the same policies, terms, and conditions for furnishing water service to members during the regular irrigation season, May 1 to September 30 of each year. Consumer has read and understood supplier will provide early service for the acres described above. This subscription is for one season only. **THE DISTRICT DOES NOT ASSUME ANY RESPONSIBILITY FOR FAILURE TO MAKE DELIVERIES OR FOR DAMAGE THAT MIGHT OCCUR FROM FREEZE.** The early water service will be at the sole discretion of Supplier.

**4. The pipeline system is extremely sensitive to water hammer during the extended irrigation season. Please be cautious.**

5. Early season is available for the months of March and April. Consumer shall pre-pay a service charge of **\$25.00** per turnout box per month or **\$10.00** per river diversion per month plus any excess over one foot per acre charge. Consumer agrees to pre-pay all other costs including mapping, filing, extra O&M and administrative charges that may be necessary as a result of the early season.
6. Consumer assumes liability for freeze damage and shall hold harmless, indemnify and defend Supplier from all claims and awards arising from his use of said water service.
